***MICKEY ROGERS**

MICKEY has been a bluesman for a long time. He played guitar for Bobby Rush and was the driving force behind Willie Foster's band, The Rhythm Upsetters. Hearing Mickey play is hearing the real blues straight from the source. Mickey Rogers performs with a 4- or 5- piece band throughout Mississippi, Nationally and Internationally. During Mickey's career he has played with artists like The Jackson 5, Jimi Hendrix, Otis Clay, Hubert Sumlin, Harold Burrage, The Dramatics, Gladys Knight & The Pips, the Temptations and the Chi-Lites. He spent many years on the road with Tyrone Davis and Bobby Rush. He played with Howlin' Wolf when he was fifteen at Sylvio's Lounge in Chicago.
