From The Melbourne Guitar Show in Australia to the Big Blues Bender in Las Vegas, Nevada & back to Europe in January 2020, Dennis Jones Band is on the move. 2022 events include a performance at the Big Blues Bender in August, and a rescheduled tour 2022 in Germany TBA.

Sizzling hot guitar solos. Smooth and soulful vocals. High-energy stage performance. Backed by a rhythm section that is second to none. Dennis's feet are firmly rooted in the past, yet his heart and soul are connected to the present. He writes songs that seamlessly blend the best of both worlds, presenting a unique and contemporary style of American rock and blues. Dennis spent a few years playing guitar with TheBusBoys (the boys are back in town) and with The Zac Harmon Band, when they won first place in the 2004 Blues Music Awards Competition in Memphis TN.

**CD/DVD Releases** Since 2003, Dennis Jones has released seven successful CDs, and a DVD, on his own label, Blue Rock Records. Each one of these has met with rave reviews. **The new album "Soft Hard & Loud" was released on 10/16/2020 and quickly rose to #1 and remained in the Top 10 for 12 weeks.** The August 2018 release, WE3 LIVE, peaked at #3 on Roots Music Report. All his music is still being played on blues & roots radio stations in the US and around the world.
